ACCOMMODATION

Entumoto Main Camp

Entumoto Main boasts 4 family tents and 5 double/twin en-suite tents. Each family tent comes equipped with its own en-suite bathroom and toilet, along with a central lounge and a cozy fireplace.

Entumoto Toto Camp

Our more budget-friendly option, Entumoto Toto, offers a total of 2 family tents and 3 double en-suites. Specifically designed for families with young children.

Entumoto Wild Camp

You have the option to stay in our mobile camp, which can be set up at various locations within our conservancy. This unique accommodation is specifically designed to cater to families or groups consisting of a minimum of 4 to 8 people.

ACCESS

You have the choice to reach the camp either by air or by road. If you choose to travel by air, flights are from Wilson Airport, offering a convenient 45-minute journey to Masai Mara. On the other hand, if you prefer a scenic adventure, a road safari is available, taking 4-5 hours, during which you can enjoy breathtaking views of the magnificent Great Rift Valley.

GUESTS SAFETY

Entumoto is an intimate, tented camp, designed to provide for your total comfort and the incredible sensation of being a part of this great African wilderness – the open sky, the sounds and smells of the bush and its wildlife is all in high security, day and night, provided by Maasai warriors, askaris and armed rangers.

The excitement of being in the heart of Africa, no fences at all and open to the far horizons – isolated space! For the safety of our guests; after sunset, all our guests are escorted by askaris through camp. We are on high altitude of 1,800 Ft and we do not have malaria mosquitos in camp.

GUEST AREAS

The main guest areas, shaded by a dense multilayered canvas, consist of a sitting area, library and verandas with views of the endless gamefilled Mara plains. Beautifully hand-crafted artifacts, fine antiques, lavish sofas, books and candlelight will transport guests back to the heyday of the romantic classic safari. Why not try a classic safari drink, local beer or refreshing sodas? A unique feature is the tree-shaded swimming pool with a View of the Mara.

SAFARIS

You can enjoy flexible scheduled game-drives in open gameviewing vehicles. Night game drives on the camp's conservancy, guided nature walks with a Maasai naturalist, Maasai community visits and lectures, sundowners at a location offering spectacular views across the Mara. Hot air ballooning at an additional cost.
